P. PORTO SUPERIOR DE SAUDE

Details of the selec	tion and ranking o	ritoria as set out in t	he Public Notice

Candidate	a:			Details of the selection and ranking criteria as set out in the Pu	blic Notice				
Criteria	Weight	Subcriteria	Max %	Parameters	Count	Scoring Item	Max Scoring in the Item	Score Awi Quantification in terms of number of years or activities, to be determined by the jury member	Scoring of the candidate
				Author or co-author of scientific articles in journals indexed in the Web of Science Core Collection - Clarivate Analytics, with an Impact Factor					
				Number of atticles published in the field of the call in Q1 journals, in the last 5 years	25	Article			
				Number of articles published in the field of the call in Q1 journals, more than 5 years ago	6,25	Article			
			Number of articles published in the field of the call in Q2 journals, in the last 5 years	10	Article	95		0	
		Scientific Productivity	35%	Number of articles published in the field of the call in Q2 journals, more than 5 years ago	2,5	Article			
				Number of articles published in the field of the call in Q3 or Q4 journals, in the field of the call in Q3 or Q4 journals, in	5	Article			
				Number of articles published in the field of the call in Q3 or Q4 journals, more than 5 years ago	1,25	Article			
				Author or co-author of scientific articles in other journels (not indexed in Web of Science) with peer review and indexing, as well as book chapters and books, in the last 5 years	2,5	Publication			
				Author or co-author of scientific articles in other journals (not indexed in Web of Science) with puer review and industry, as well as book chapters and books, more tean 5 years ago	0,625	Publication	5		0
		Justification:							
			35%	Securing funded projects as PI or Co-PI in the field of Rehabilitation Sciences - Specialization in Neurosciences, through compatitive calls, in the last 5 years, with a value greater than 660k	80	Project	100		
				Securing funded projects as PI or Co-PI in the field of Rehabilitation Sciences - Specialization in Neurosciences, most than 5 years ago, with a value greater than 600k	20	Project			
		Pertoputor in Scientific Projects		Securing funded projects as PI or Co-PI in the field of Rehabilitation Sciences - Specialization in Neurosciences, through competitive calls, in the last 5 years, with a value up to 650x (equivalent in value to a PuX)	40	Project			
				Securing funded projects as PI or Co-PI in the field of Rehabilitation Sciences - Specialization in Neurosciences, through competitive calls, more than 5 years ago, with a value up to 600k (equivalent in value to a PuX)	10	Project			0
				Participation in a funded Research Project in the field of Rehabilitation Sciences - Specialization in Neurosciences, resulting from a competitive call, as a researcher (Ream member), in the last 5 years	10	Project			
				Participation in a funded Research Project in the field of Rehabilitation Sciences - Specialization in Neurosciences, resulting from a competitive call, as a researcher (biam member), more than 5 years ago	2,5	Project			
ervision				Participation in a funded Research Project in the field of Rehabilitation Sciences - Specialization in Neurosciences, resulting from a competitive call, as a consultant or equivalent, in the last 5 years	2	Project			
Domán: Scientific and Tecnical Performation and Scientific Supervision				Participation in a funded Research Project in the field of Rehabilitation Sciences - Specialization in Neurosciences, resulting from a competitive call, as a consultant or equivalent, more than 5 years ago	0,5	Project			
Nordorm anco	60%	Justification:							
c and Techhoal F			195	Member of the editorialiscientific board of a journal indexed in one of the Web of Science Core Collection - Clientest Analytics indices with an Impact Factor, in the last 5 years	10	Journal	100		
Domain: Scientifi		Contribution to the Scientific Community		Member of the editorial/scientific board of a journal indexed in one of the Web of Science Core Collection - Claimate Analytics indices with an Impact Factor, more than 5 years ago	2,5	Journal			
				Reviewerledter of scientific stricles in journals indexed in one of the Web of Science Core Collection - Claimate Analytics indices with an Impact Factor, in the last 5 years	5	Article			
				Reviewerseldor of scientific articles in journals indexed in one of the Web of Science Core Collection - Clarkste Analytics indices with an Impact Factor, more than 5 years ago	1,25	Article			
				Member of evaluation panels for funded projects as an expert, in the last 5 years	20	Panel			
				Member of evaluation panels for funded projects as an expert, more than 5 years ago  Participation in scientific events (organizing committees, scientific committees, etc.) in the last 5 years	15	Panel Event			
				Participation in scientific events (organizing committees, scientific committees, etc.) more than 5 years ago	3,75	Event			
				Member of the board or coordinator of groups in national and international scientific societies, in the last 5 years	20	Organization			0
				Member of the board or coordinator of groups in retional and international scientific societies, more than 5 years ago.  Author or co-author of a cientific words (efficies, communications, posters, etc.) that received a scientific award in the last 5 years.	15	Organization Scientific Work			
				Author or co-author of scientific works (erticles, communications, posters, etc.) that received a scientific award more than 5 years ago	3,75	Scientific Work			
				Participation in formal international scientific networks in the last 5 years  Participation in formal international scientific networks more than 5 years ago	10	Natarork Natarork			
				Participation in funded international mobility programs in the last 5 years	10	Mobility			
				Participation in funded international mobility programs more than 5 years ago  Member of a doctoral examination jury in the last 5 years	2,5	Mobility PhD Jury			
			Member of a doctoral examination jury in the set 5 years  Member of a doctoral examination jury more than 5 years ago	5	PhD Jury				
				Member of a master's examination jury (as president or examiner) in the last 5 years	10	Master's Jury	-		
				Member of a master's examination jury (as president or examiner) more than 5 years ago	2,5	Master's Jury			
		Justification:							
				Supervision or co-supervision of completed doctoral theses in the last 5 years. Not currulative with "member of jury"	20	Supervision			
				Supervision or co-supervision of completed doctoral theses more than 5 years ago. Not cumulative with "member of jury"	5	Supervision			

	l			Supervision or co-supervision of completed Master's dissentational project/first internship reports in the last 5 years. Not currulative with *remetter of prof.	10	Supervision			
		Scientific Supervision	15%	cumulative with "member of jury"  Supervision or co-supervision of completed Mester's dissertations/projects/final informable reports more than 5 years ago. Not cumulative with "member of jury".	2,5	Supervision	100		0
				cumulative with "membar of jury"  Supervision or co-supervision of completed bachelor's degree projects in the last 5 years. Not cumulative with "member of jury"	5	Supervision			
				Supervision or co-supervision of completed bachelor's degree projects more than 5 years ago. Not cumulative with "member of jury"	1,25	Supervision
