

International documented call for recruitment of an Assistant Researcher in the Area of Rehabilitation Sciences - Specialization in Human Movement System, at the School of Health of the Polytechnic Institute of Porto

Details of the selection and ranking criteria set out in the public notice

Candidate:				Scoring			Score Awarded				
Criteria	Weight	Subcriteria	Max %	Parameters	Count	Item	Max Scoring in the Item	Quantification in terms of number of years or activities, to be determined by the jury member	Scoring of the candidate		
Scientific and Technical Performance and Scientific Supervision	60%	Scientific Productivity	40%	Author or co-author of scientific articles in journals indexed in the Web of Science Core Collection — Clarivate Analytics with an Impact Factor							
				Number and quality of articles, with quality assessed based on citations or other analogous impact measures, in the last 5 years, in Q1 journals, in the area for which the competition is open	9	Paper	97		0		
				Number and quality of articles, with quality assessed based on citations or other analogous impact measures, more than 5 years ago, in Q1 journals, in the area for which the competition is open	2,25	Paper					
				Number and quality of articles, with quality assessed based on citations or other analogous impact measures, in the last 5 years, in Q2 and Q3 journals, in the area for which the competition is open	4	Paper					
				Number and quality of articles, with quality assessed based on citations or other analogous impact measures, more than 5 years ago, in Q2 and Q3 journals, in the area for which the competition is open	1	Paper					
				Author or co-author of scientific articles in other peer-reviewed and indexed journals, book chapters, and books, in the last 5 years	0,5	Publication	3	0			
		Author or co-author of scientific articles in other peer-reviewed and indexed journals, book chapters, and books, more than 5 years ago	0,125	Publication							
		Justification:									
		Participação em projetos científicos	30%		Obtaining funded projects as PI or Co-PI in the area of Rehabilitation Sciences: specialization in Human Movement System, through competitive calls, in the last 5 years	80	Projeto	100			0
					Obtaining funded projects as PI or Co-PI in the area of Rehabilitation Sciences: specialization in Human Movement System, through competitive calls, more than 5 years ago	20	Projeto				
					Participation in funded research projects in the area of Rehabilitation Sciences: specialization in Human Movement System, through competitive calls, as researcher (team member), in the last 5 years	7,5	Projeto				
					Participation in funded research projects in the area of Rehabilitation Sciences: specialization in Human Movement System, through competitive calls, as researcher (team member), more than 5 years ago	1,875	Projeto				
					Participation in funded research projects in the area of Rehabilitation Sciences: specialization in Human Movement System, through competitive calls, as consultant or equivalent, in the last 5 years	0,5	Projeto				
					Participation in funded research projects in the area of Rehabilitation Sciences: specialization in Human Movement System, through competitive calls, as consultant or equivalent, more than 5 years ago	0,125	Projeto				
		Justification:									
Contribution to the Scientific Community	10%		Member of the editorial/scientific board of a journal indexed in the Web of Science Core Collection — Clarivate Analytics and with an Impact Factor, in the last 5 years	5	Journal	100			0		
			Member of the editorial/scientific board of a journal indexed in the Web of Science Core Collection — Clarivate Analytics and with an Impact Factor, more than 5 years ago	1,25	Journal						
			Reviewer/Editor of scientific articles in journals indexed in the Web of Science Core Collection — Clarivate Analytics and with an Impact Factor, in the last 5 years	0,5	Paper						
			Reviewer/Editor of scientific articles in journals indexed in the Web of Science Core Collection — Clarivate Analytics and with an Impact Factor, more than 5 years ago	0,125	Paper						
			Member of funded project evaluation panels as an expert in the last 5 years	25	Panel						
			Member of funded project evaluation panels as an expert more than 5 years ago	6,25	Panel						
			Participation in scientific events (organizing committees, scientific committees, etc.) in the last 5 years	2	Event						
			Participation in scientific events (organizing committees, scientific committees, etc.) more than 5 years ago	0,5	Event						
			Member of the leadership or coordination of groups in national and international scientific societies in the last 5 years	5	Organization						
			Member of the leadership or coordination of groups in national and international scientific societies more than 5 years ago	1,25	Organization						
			Author or co-author of works that received a scientific award in the last 5 years	10	Prize						
			Author or co-author of works that received a scientific award more than 5 years ago	2,5	Prize						
			Being a member of formal International scientific Networks in the last 5 years	4	Network						
			Being a member of formal International scientific Networks more than 5 years ago	1	Network						
Member of doctoral examination committees in the last 5 years (excluding being a jury member as supervisor)	25	PHD Juri									
Member of doctoral examination committees in the last 5 years (excluding being a jury member as supervisor)	6,25	PHD Juri									
Member of master's examination committees (as examiner) in the last 5 years	5	MSc Juri									
Member of master's examination committees (as examiner) more than 5 years ago	1,25	MSc Juri									
Justification:											
			Supervision or co-supervision of completed doctoral theses in the last 5 years. Not cumulative with "jury member"	40	Supervision						
			Supervision or co-supervision of completed doctoral theses more than 5 years ago. Not cumulative with "jury member"	10	Supervision						

		Scientific Supervision	20%	Supervision or co-supervision of completed master's dissertations/projects/final internship reports in the last 5 years. Not cumulative with "jury member."	5	Supervision	100		0
				Supervision or co-supervision of completed master's dissertations/projects/final internship reports more than 5 years ago. Not cumulative with "jury member."	1,25	Supervision			
				Supervision or co-supervision of completed bachelor's projects in the last 5 years. Not cumulative with "jury member."	0,5	Supervision			
				Supervision or co-supervision of completed bachelor's projects more than 5 years ago. Not cumulative with "jury member."	0,125	Supervision			
		Justification:							
		Sub-Total 1							
		Patents, registration and ownership of rights, preparation of technical standards and legislation	20%	Authorship and co-authorship of patents, or registrations of intellectual property rights, with the process completed	80	Patent	100		0
				Participation in standardization committees and in the preparation of legislative projects and technical standards in the last 5 years	5	Committee, legislative project, and technical standard			
				Participation in standardization committees and in the preparation of legislative projects and technical standards more than 5 years ago	1,25	Committee, legislative project, and technical standard			
		Justification:							
		Ligação com a indústria e com a comunidade	10%	Participation in consultancy, testing, and measurements involving the business environment and/or the public sector in the last 5 years	5	Participation	100		0
				Participation in consultancy, testing, and measurements involving the business environment and/or the public sector more than 5 years ago	1,25	Participation			
				Participation as a trainer in professional training or technological specialization courses aimed at companies or the public sector in the last 5 years	2,5	For each course with a minimum of 5 hours of training delivered by the candidate			
				Participation as a trainer in professional training or technological specialization courses aimed at companies or the public sector more than 5 years ago	0,625	For each course with a minimum of 5 hours of training delivered by the candidate			
				Contribution to technology transfer, namely to the creation of spin-off companies in the last 5 years	50	Company			
				Contribution to technology transfer, namely to the creation of spin-off companies more than 5 years ago	12,5	Company			
		Justification:							
		Science and technology outreach	10%	Author or co-author of oral or poster presentations at national or international scientific conferences in the last 5 years. Double points apply if by invitation or as keynote speaker.	5	Communication	100		0
				Author or co-author of oral or poster presentations at national or international scientific conferences more than 5 years ago. Double points apply if by invitation or as keynote speaker.	1,25	Communication			
				Moderation of sessions at national or international technical-scientific events in the last 5 years	5	Moderation			
				Moderation of sessions at national or international technical-scientific events more than 5 years ago	1,25	Moderation			
				Lectures and seminars addressed to the general public in the last 5 years	2,5	Lectures and Seminars			
				Lectures and seminars addressed to the general public more than 5 years ago	0,625	Lectures and Seminars			
				Citations and references in scientific dissemination forums in the last 5 years	2,5	Citations and References (quantification should correspond to thousands: e.g., 1 corresponds to 1000)			
				Citations and references in scientific dissemination forums more than 5 years ago	0,625	Citations and References (quantification should correspond to thousands: e.g., 1 corresponds to 1000)			
		Justification:							
		Candidate's participation in scientific, pedagogical, or institutional management activities	10%	Scientific, pedagogical, or institutional management activities in the last 5 years, not mentioned in previous items	5	Activities/year	100		0
				Scientific, pedagogical, or institutional management activities more than 5 years ago, not mentioned in previous items	1,25	Activities/year			
		Justification:							
		Experiência Profissional	25%	Relevant Professional Experience in Rehabilitation Sciences- specialization in Human Movement System	1	Months of paid scientific and professional activity, including time with a research grant	100		0
		Justification:							
		Academic and Professional Training	25%	PhD degree with dissertation topic relevant to the area for which the competition is open. (Count only once)	60	Academic degree	100		0
				Master's degree with dissertation topic relevant to the area and/or disciplinary group for which the competition is open. (Count only once)	30	Academic degree			
				Habilitation with lecture topic relevant to the area for which the competition is open. (Count only once)	50	Academic degree			
				30 hours or more of training in fields relevant to the area for which the competition is open (can only be counted once, even if multiple 30h training hours are presented)	30	Equal or greater than 30h Training			
		Justification:							
		Sub-Total 2							
		Domínio Científico Project (max. 500 words)	30%	Structure, clarity, and quality of writing	10	Report of Scientific Project	100		0
				Scientific relevance	20				
				Suitability of the proposed program for the institution	40				
				Innovation	30
