

Documentary competition for Coordinating Professor in the Technical-Scientific Area of CARDIOPNEUMOLOGY, School of Health, Polytechnic Institute of Porto

Detail of the selection and serialization criteria provided for in the Notice

Candidate:									
Criteria	Pond.	Subcriteria	Weighting	Parameters	Pontuação			Pontuação Atribuída	
					Points per Item	Item	Maximum Item Score	Quantification according to the number of years or activities	Assigned Score
Pedagogical Activity	60%	Experience and dedication to teaching in the area for which the contest is opened.	Professional experience as a full-time teacher in higher education.	1 to 9 years	10	Full year	50		0
				from 10 to 14 years	30				
				15 years or more	50				
				Regency of Curricular Units of study plans of Cardiopneumology or Clinical Physiology.					
			Teaching of Curricular Units of study plans of Cardiopneumology or Clinical Physiology		0,3	Curricular Unit/school year	15		0
			Reasons:						
	40%	Pedagogical training, professional training, extension activities and pedagogical innovation relevant in the area to which the competition is opened.	40%	Participation in training, courses or internships lasting 40 hours or more, relevant to the area of the competition (as a trainee).	2,5	Activity	30		0
				Participation in training courses or courses lasting 6 hours or more, relevant to the area of the competition (as trainer).	1,5	Training/course (when not broken down the duration is considered that 1 day = 6h).	30		0
				Elaboration of texts of a didactic-pedagogical nature that read all or part of the contents of a curricular unit of study plans of Cardiopneumology or Clinical Physiology. With ISBN doubles the score (K17).	1	Document	5		0
				Responsible for the pedagogical management of student mobility programs.	2,5	School year	10		0
				Participation in mobility programs (as a teacher), creation of mobility programs, in Cardiopneumology or Clinical Physiology.	2,5	Mobility	5		0
				Participation in pedagogical projects of institutional relevance (creation of new courses and/or study plans, evaluation of courses, reformulation of courses and/or study plans) in Cardiopneumology or Clinical Physiology.	5	Project	20		0
Reasons:									
Sub-Total 1									
Professional Activity	30%	Academic and/or professional qualification.	Doctor in area and with relevant theme for the area for which the contest is opened.	50	Ítem	100		0	
			Title of Specialist in Cardiopneumology (Decree-Law No. 206/2009, of 31.08).	35	Ítem				
			Master's degree with dissertation theme with relevance to the area for which the contest is opened.	25	Ítem				
			Bachelor's degree or Bachelor's degree in Cardiopneumology.	15	Ítem				
			Other bachelor's and/or master's degrees, or aggregation, or equivalent.	7,5	Ítem				
			Sum of professional experience and/or clinical practice as cardiopneumologist, equivalent full-time.		Full year				
	1 to 9 years	5							
	from 10 to 14 years	10							
	15 years or more	15							
	Reasons:								
	20%	Scientific Production relevant to the area in which the competition is opened.	20%	Author or co-author of original articles published in indexed scientific journals, with peer review, national or international.	10	Article	30		0
				Author or co-author of abstracts published in books of abstracts of technical-scientific events, national or international, or in scientific journals with peer review.	5	Abstract	20		0
Author or co-author of full texts published in minutes of technical-scientific events, national or international.				5	Article	15		0	
Author or co-author of original articles published in unindexed scientific journals, with peer review, national or international.				2,5	Publication	5		0	
Impact of scientific production - citations of articles indexed in the Web of Science (Publons).				2	Citation	30		0	
Reasons:									

Technical-Scientific and Professional	30%	Dynamic and intervention in technical-scientific and professional activities relevant in the area for which the competition is opened.	25%	Integrated member or r&d center contributor accredited or approved by recognized entity.	5	Participation	100	0		
				Member of scientific committees of national or international technical-scientific events.	2	Participation				
				Author or co-author of oral or poster communication, in a national or international technical-scientific event.	1	Communication/poster				
				Peer review in national or international technical-scientific journals.	1	Revised article				
				Moderation of sessions in national or international technical-scientific events.	1	Moderation				
				Author or co-author of scientific papers that have received an award in a technical-scientific event.	1	Prize				
				Other technical-scientific and professional activities relevant to the higher education institution.	1	Activity				
		Reasons:								
		Scientific guidance and participation in juries of academic or curricular tests relevant to the area in which the competition is opened.	25%	Guidance or co-orientation of Doctoral theses. Not cumulative with "jury member".	5	Guidance/Co-orientation	100	0		
				Guidance or co-orientation of Master's dissertations. Not cumulative with "jury member".	3	Guidance/Co-orientation				
Orientation or co-orientation of Undergraduate projects. Not cumulative with "jury member".	2			Guidance/Co-orientation						
Jury member of academic Doctoral tests. Non-cumulative with orientation or co-orientation.	3			By participation						
Jury member of academic evidence of Specialist Title.	2			By participation						
Jury member of academic master's evidence. Non-cumulative with orientation or co-orientation.	1			By participation						
Jury member of academic degree exams. Non-cumulative with orientation or co-orientation.	0,1			By participation						
Jury member of Clinical Education.	0,1			By participation						
Member of other juries in other higher education institutions.	0,5			By participation						
Reasons:										
Sub-Total 2								0		
Organizational Activity	30%	Participation in top statutory organic structures in higher education (considering the time and diversity of positions).	20%	President/Vice-President of IES, Chairende/Vice-President of Technical-Scientific Council, President/Vice-President of the Pedagogical Council.	10	Years of exercise (cumulative)	100	0		
				Member of the General Council.	7,5					
				Member of the Technical-Scientific Council and/or the Pedagogical Council.	5					
		Reasons:								
		Participation in intermediate statutory organic structures in higher education (considering the time and diversity of positions).	40%	President/Vice-President, Coordinator/Vice-Coordinator or Director/Vice-Director of Department, Technical-Scientific Area, Research Center.	4	Years of exercise (cumulative)	100	0		
				Coordinator of cycle studies in higher education.	2					
		Reasons:								
		Member of competition juries, organization of events and other relevant activities.	40%	Participation in internal or external institutional committees derived from statutory bodies (CAAC, CC, CTC Commissions, other commissions).	1,5	Years of exercise	30	0		
				Selection jury /serialization (master's degree, special competitions for access to ES, competitions > 23 years)	1,25	Jury/Year	20	0		
				Member of the organizing committee of technical-scientific and pedagogical events, national or international.	1,25	By commission	25	0		
Participation in juries of hiring non-teaching staff and other juries (e.g. acquisition of equipment).	1			By Jury	20	0				
Other organizational activities relevant to the institution.	1			By activity	5	0				
Reasons:										
Sub-Total 3								0		
Total								0		
The jury element:										

Calculation formula for assignment of the final classification:
Final classification = (Pedagogical activity*0.40) + (Technical-scientific activity*0.30) + (Organizational Activity*0.30)

In the event of a tie, the following tiebreaker criteria are used:

1. Have greater seniority as a teacher or equated to a full-time teacher or invited teacher or exclusivity in Higher Education, in the area for which the competition is opened;
2. Have completed the degree of Doctor and/or Title of Specialist in Cardiopneumology for a longer time.
